Summary

I started my journey when I was 14 years old in year 2015. I am a dedicated and efficient Flutter, Full Stack, Android (Java/Kotlin) developer with 7+ years experience. Certified in both Frontend and Backend technologies. I started my journey from Android Java, PHP and MySQL for backend then moved to Laravel, Flutter, NodeJS, Python and Kotlin. Now I am comfortable on all these languages and learning new things daily.

Languages and Framework Known:
